In your horoscope, two or more malefic planets are situated in the 8th from the sign, whose Chara Dasha you are running at present; there is no benefic planet situated in that sign. As the 8th signifies acute problems and extreme difficulties, this is not at all a favorable configuration.

At present, you are passing through the Dasha of sign Sagittarius. In your chart, the Ascendant-lord and the 8th-lord are in close conjunction, and these are situated in the 8th from the Dasha-sign. This is an unfavourable configuration.

Unless some modifying influences are present in your chart, then during this period, you are likely to suffer for a pretty long duration from some disease of quite serious sort - which might even be very difficult to diagnose and/ or cure.
